RE: U.S. PATENT APPLICATION SERIAL NO. 10/716,751
ENTITLED "ROOF SOAKING DEVICE AND METHOD"
OUR DOCKET NO. 6619-A-1

Dear Mr. Brown:

I am pleased to advise you that the United States Patent and Trademark Office has allowed the above-identified patent application and the application will mature into a patent in the near future.

The issue fee due the United States Patent and Trademark Office and attendant service charges is \$1,071.00 and a newly imposed publication fee of \$300.00 for a total of \$1,371.00 must be paid on or before June 28, 2005. This deadline is not extendable except under extraordinary circumstances. To meet the above deadline, please forward your check in the total amount due at least by May 30, 2005; earlier payment will accelerate issuance of your patent.

To assist you in expediting this part of the patent process, we accept Visa and Mastercard should you wish to pay outstanding fees due this office and/or the issue fee. If this is of interest to you, please fill out and return the enclosed form.

Very truly yours,

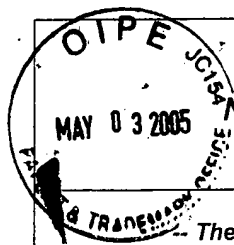

~~CAHILL, VON HELLENS & GLAZER P.L.C.~~
